## Brunello di Montalcino TENUTA NUOVA

---

### VINTAGE NOTES

2021 winter was marked by mild temperatures and average rainfall. The germination took place between the last week of March and the first of April. Spring continued with a return of cold which slowed the development of vegetation. May and June were hot and dry and they allowed the plants to catch up. The ripening continued regularly and the harvest began in the second week of September.

### GIOVANNI NERI TASTING NOTES

Deep dark red with notes of blackberries, dark chocolate, incense, and rosemary. The 2021 vintage enhances the Mediterranean character of Tenuta Nuova: full body, incredibly ripe tannins, and lively tension give this wine a rare completeness. The rich and very long finish is chiseled by a vibrant acidity that perfectly frames the greatness of the 2021 vintage.
